

Winter Croquet Ladders

14 Point Handicap and Advanced Ladder

- Matches to be arranged with **any member** of the club with **repeat** games also allowed.
- The competition will commence on **Saturday 03 October** and finish on **Friday 26 March**.
- The results to go on **handicap cards** and to be **notified to Alan Mayne** via email or text for compilation of the Ladder.
- A **minimum of 15 games** are required to win the ladder.
- Matches **2 hour time limit until 25 October and then 90 minutes until the end of the season**.
- Matches to be played from a **base of 16**. If either player, or both, has a full handicap of less than 16 merely subtract the full handicaps, then convert the difference (using the conversion table displayed in the huts and on the clubhouse window). Eg 8 plays 14 - highest handicap player gets 3 bisques. If both players are higher than 16 subtract 16 from their handicap then convert the differences from the table - eg 20 plays 24 bisques are 2 and 4.5.
- As the lawns are three-quarter size a **further reduction** in the number of bisques is required, after the above, using the **additional sheet**. Eg 8 plays 14 the 3 bisques becomes 2.5. If 20 plays 24 - bisques become 2 and 4.

18 point Handicap and Advanced Ladder

- Matches to be arranged with any club member with **repeat** games also allowed.
- The competition will commence on Saturday 03 October and finish on Friday 26 March.
- The results to go on **handicap cards** and to be **notified to Alan Mayne** via email or text for compilation of the Ladder.
- A **minimum of 15 games** are required to win the ladder.
- Matches **2 hour time limit until 25 October then 90 minutes** until the end of the season.
- Matches to be played from a **base of 10**. If either player, or both, has a full handicap of less than 10 merely subtract the full handicaps, then convert the difference (using the conversion table displayed in the huts and on the clubhouse window). Eg 8 plays 2 - highest handicap player gets 4 bisques. If both players are higher than 10 subtract 10 from their handicap then convert the differences from the table - eg 16 plays 12 bisques are 4 and 1.5.
- As the lawns are **three-quarter size** a **further reduction** in the number of bisques is required, after the above using the **additional sheet**. Eg 8 plays 2 the 4 bisques becomes 3.5. Or 16 plays 12 - bisques are 3.5 and 1.5.

One Ball Handicap and Advanced Ladder

- Matches to be arranged with any club member with repeat games allowed.
- The competition will **commence on Saturday 03 October and finish on Friday 26 March.**
- A minimum of 20 games are required to win the ladder.
- Matches are **45 minutes** in duration allowing members to play 2 games, if they wish, in the 90 minute slot .
- Handicap games will be the difference in their **ONE BALL HANDICAPS DIVIDED BY 3** and all fractions rounded down to the whole number. Eg if 4 plays 18 the difference is 14 divided by 3 is $4\frac{2}{3}$ which rounds down to 4.
- If two 24s are playing each other they both receive 4 bisques.

MEMBER'S ASSOCIATION HANDICAP AND ONE BALL HANDICAP IS DISPLAYED ON THE SHEET BY THE CLUBHOUSE DOOR.
