### The Fotiadi Novices Silver Challenge Bowl

The trophy was given by Mrs. Alexandra Fotiadi (Bowdon member from 1939 until her death in 1990 and Club President 1972-1981). She was for many years one of the best women players in Britain. Her munificent support of the Club provided the springboard for its regeneration in the late 1970s. The term "Novices" has evolved, ranging as high as Handicap 10, but since the mid 1970s covering only newcomers in their first season. In 2023 the competition was extended to include members in second season with a high handicap.
